

DOWNSTATE DELAWARE GENEALOGICAL SOCIETY

presents

MISCELLANEOUS CEMETERIES

These cemeteries were recorded after the publication of the five volumes of "Tombstones of Sussex County, Delaware."

Our volunteer, Don McClyment, has been working diligently to locate these cemeteries as per a typographical map furnished to Downstate Delaware Genealogical Society by Brad Davidson.

As more cemeteries are located, they will be added to this listing.

Prepared by Isabel Rifenburg
Cemetery Chairperson
